

Rockwell Prek

Supply List for September, 2024

Welcome to Rockwell Preschool! We are looking forward to getting to know all of you in the coming school year!

Here is a list of suggested items you may send with your child at the beginning of the year. Materials will be collected and shared among the students. With the exception of a spare set of clothes, these items are not required – only a suggestion of useful items should you wish to contribute.

We appreciate anything you can do!

Boys- 1 box quart size Ziploc bags

Girls - 1 box gallon size Ziploc bags

1 box regular crayons (24 is enough)

glue sticks (large are best!)

1 set of 8 (fat) Crayola* markers

1 or 2 dry erase markers (thin, black only)

1 box tissues

2 cans of play-doh

1 composition notebook (to be used for journaling)

(*Ms Kim's class - please bring 2 composition books)

1 pack of baby wipes or hand wipes

1 set of spare clothes (labelled; in case of accidents!)

*we ask for Crayola markers only so that they are all the same. That way, the caps are interchangeable. Believe it or not, this makes a huge difference!

We also recommend a full-size backpack to bring to school. We send home a folder every day, along with any artwork or school correspondence. Bigger backpacks work better, especially when you need to add extra clothes, shoes, mittens, snowpants, etc.

Supplies may be brought during Open House or on the first day of school.

THANKS SO MUCH FOR
YOUR SUPPORT!
