# American Rescue Plan

2021-2024

May 25, 2021

# DISTRICT MISSION STATEMENT

*The Onondaga Central School Community challenges individuals to reach their maximum potential, prides itself on success and prepares contributing citizens for life.*

# Onondaga CSD ARPA Vision

## *What is ARPA? American Rescue Plan Act*

*ARPA is an emergency legislative package to fund schools*

## *How will ARPA help K-12 public education?*

*Federal funding is intended to boost American schools, allotting \$125 billion to K-12 school districts and state education departments. Most of the money is intended to address learning loss suffered by students during pandemic-induced school closures. Additionally, this money could be transformational in re-inventing schooling to ensure that students, especially those traditionally left behind, are provided with the teachers and tools they need to be successful. Within this presentation, you will view how the Onondaga Central School District plans to utilize the ARPA funding.*
